Srishti has a uniquely defined learning approach and pedagogy and it is of critical importance that applicants who aspire to study in Srishti have the necessary capabilities, aptitude and attitude to undertake study in an interdisciplinary program of study that demands both agency and the ability to self-manage their own learning.

All applicants to Srishti are advised to read both the 'About' and the 'Student Experience' Page on the website and check for personal alignment of the applicant's need with the content published. This will lead to a self-selection process that aligns with our mission, intent, promise and purpose and with our declared student experience.

5. Announcement of any specific or additional needs in the portfolio and any compulsory or mandatory submissions, together with a theme or context for interview will be provided on receipt of the application and will vary with course specialisation; but will be uniform within each cluster.

10. Protocol: Special Needs

All applicants with declared special needs with supporting documents, as stated in the relevant section on the application form, will be

- Provided with assistance during the eSEAT 2019 as far as possible, within the limits of the existing infrastructure at the place or venue where the eSEAT 2019 is conducted.
- Given admission only if they make the merit criteria set by the Admissions Committee of the eSEAT 2019.

While Srishti’s policy on inclusion and diversity allows applicants with varied needs to join the institute, the admission letter to the applicant will state clearly the help and assistance that Srishti can provide. It will not be possible to cater to the specific needs of all applicants and admission will be based on the infrastructure (both soft and hard) currently available within Srishti, that will enable the applicant to function and work alongside others as equals.

Srishti does not have an active student loan or scholarship scheme. All applicants with financial assistance needs will be directed to banks that provide educational loans.

With regard to the interpretation of the provisions on any matter not covered in this document, the decision of the Srishti Selection Committee 2019 shall be final and binding on all parties concerned.
